Letter reference: Year R Parent Letter - South

Dear parent/carer

As your child has now started school, their health and wellbeing will be supported by the School Public Health Service in partnership with you and your child's school. Some children take the transition to primary school in their stride, others need a little bit more help and we are here to support their individual needs.

To achieve this we are using a new questionnaire called the Lancaster Model, which has been successful in other parts of the country in identifying the extra support some children may need.

Please complete the online questionnaire about your child's health and wellbeing in the next seven days so we can identify any issues.

To access the questionnaire please click on the following link:

<https://kent.hapi-system.com/school-readiness>

The password is: Winter01

This link will be open until the 31st January 2018.

Although anonymous information from the questionnaire may be shared with other agencies to improve services, all personal information collected will be treated as confidential.

A member of the School Public Health Team may contact you following completion of the questionnaire to offer health advice, information and support.

Chairman David Griffiths Chief Executive Paul Bentley

Trust HQ The Oast, Unit D, Hermitage Court, Hermitage Lane, Barming, near Maidstone, Kent ME16 9NT

Letter reference: Year R Parent Letter - South

Every school is supported by a School Health Team - we can be contacted Monday to Friday, 8am to 6pm using the details at the top of this letter, or please visit the Kent Community Health NHS Foundation Trust website to find out more: www.kentcht.nhs.uk/school-health.

Yours sincerely

A handwritten signature in black ink that reads "T. Owen." The signature is enclosed in a thin black rectangular border.

Tina Owen
Head of School Public Health and Immunisations
