

	Maths	English	Phonics	Topic
Monday	<p><u>Investigation: Which 3D shapes roll?</u> Find different 3D shapes around your home (e.g. cuboid shoe boxes, cylinder bottles). Test your shapes to see if they roll. Then put them into 2 groups – can roll and can't roll. Why do you think those shapes will or won't roll? Try to use these words to help you explain: face, edge/side, vertices (corners), curved and flat. <i>PDF included to help with shape names.</i> <i>Take photo or draw them into your book. Images can be emailed.</i></p>	<p><u>Live Lesson (11am)</u> <u>Creating a New Character</u> We will be looking at creating a new character to replace the Big Bad Wolf. <i>Bring something to write with and something to write on.</i> <u>Activity</u> Draw a new character that is going to try and eat the Three Little Pigs. <i>You can email your picture.</i></p>	<p><u>Tricky words and alternative spellings</u> Using our new phase 5 sounds try the quiz on teams and try to choose the correct sound for each word. Using our phase 4 tricky words (remember they are tricky because we can't segment/sound them out) practice writing them. You can write them multiple times in different colours, hide them round the house, paint them on the floor outside with water or make them with playdough or letters. said do there out have some like what little one come so where when</p>	<p><u>Live Lesson (2pm)</u> <u>Internet Safety</u> Today we will be talking about how to stay safe on the internet. <u>Wellbeing Activity</u> Create a happy jar. Everyday write one thing that has made you happy that day. Continue this throughout the week.</p>
Tuesday	<p><u>3D Shapes Investigation</u> Find different 3D shapes around your home (e.g. shoe boxes, Pringles tubes and small balls). What 3D shapes are they? Build towers by stacking the shapes in different orders. Can you stack every shape?</p>	<p><u>Live Lesson (2pm)</u> <u>Reading Comprehension</u> This afternoon we will be looking at another traditional tale and answering some questions about what we have read.</p>	<p><u>Live Lesson (11am)</u> <u>New sound oy</u> Today we will be learning a new sound oy (oy toy for a boy) <i>Bring something to write with and something to write on.</i> <u>Activity</u></p>	<p><u>PE</u> 3 new challenges for you this week including jogging and bunny hops. <u>Music</u></p>

	<p>Why or why not? Can you build a taller tower if you put certain shapes at the bottom? Which shapes work best for building your tower and why?</p> <p><i>Take photos or draw pictures of some of your towers. Talk to an adult about what you notice</i></p>	<p>Activity Using Purple Mash find the 2Do titled Goldilocks and the Three Bears and draw your favourite part.</p>	<p>Using the PDF labelled Tuesday Phonics practise using our new sound.</p> <p>(The pictures are foil oil toy boy soil toilet)</p>	<p>This week will be looking at pulse and rhythm. Video on the school website.</p> <p><i>PDFs for both tasks available.</i></p>
Wednesday	<p>Live Lesson (11am) Halving We will be using objects to find half of a quantity. <i>Bring something to write on and with.</i> <i>Bring 20 small objects to count with (e.g. Lego or dried pasta).</i> Activity Use objects to find half of: 2, 6, 12, 18 and 20. <i>Complete on paper OR PurpleMash.</i> Live Lesson (2pm) Odd or Even We will identify odd and even numbers. <i>Bring something to write on and something to write with. Also bring 20 small objects to count with (e.g. Lego or dried pasta).</i> Activity</p>	<p>Adjectives for our New Character Write 3-10 different adjectives to describe your new character. Remember to use lots of interesting adjectives and use your phonics skills to help you write the words. <i>You can write the words in your home learning book and email a picture.</i></p>	<p>Syllable sorting Using this link or one of the ones from last week have a recap of syllables. https://www.youtube.com/watch?v=rFo-8OQpGMO Now using the quiz on teams called Animal Syllables see if you can work out how many syllables are in each animal name.</p>	<p>Types of Houses and Homes Look at the PDF of different homes people live in. Can you draw a picture of the outside of your house? <i>There is a PDF of different types of houses.</i></p>

	<p>Choose any 8 numbers between 0-20 and sort them into 'odd' and 'even' groups.</p> <p><i>PDF guide sheet if needed</i></p>			
Thursday	<p><u>Live Lesson (11am)</u></p> <p>Halving</p> <p>We will be using objects to find half of a quantity. We will investigate if we can half both odd and even numbers.</p> <p>Activity</p> <p>Cut out the pictures and share them into 2 equal groups to find half. <i>PDF included.</i></p> <p><i>Bring something to write on and with.</i></p> <p><i>Bring 20 small objects to count with (e.g. Lego or dried pasta).</i></p>	<p>Bug Club</p> <p>Read the story Materials Around Us with someone at home. Create a poster about one of the materials in the book.</p> <p>You will need to add a picture and 1-3 facts about the material.</p> <p><i>You can use Purplemash or your home learning book.</i></p>	<p><u>Live Lesson (2pm)</u></p> <p>New sound ir</p> <p>Today we will be learning our new sound ir (whirl and twirl)</p> <p><i>Bring something to write with and something to write on.</i></p> <p>Activity</p> <p>Use this link to read the comic Eggs, eggs, eggs.</p> <p>Make a list of the ir words that you find.
