

Our Online Class Rules

Be on Time

Check your tech
before the lesson
time!

Presentation

Check your
surroundings.

Are you dressed?

Mute Yourself

Try not to have any
background noise such
as the TV and mute
yourself unless you
need to speak.

Safe Zone

Parents may need to
help set up the lesson
and support younger
children.

Make sure adults know
you are on a live
lesson.

Set up a dedicated
quiet space.

Try to have a 'people
free' background, by
positioning the device
so you are against a
wall or use a virtual
or blurred background.

Participation

Be focused,
Pay attention,
Use the 'raise hand'
button if you'd like to
say something without
interrupting.

Other Tips

Use headphones if you
have them.

Try to avoid eating
anything during the
lesson.

Chat Responsibly

Only ask questions or
comments related to
the work or topic.
