

This grid shows timings for online lessons and other activities to be completed during the day. Please arrange these to suit your family circumstances. If you would like more of a guide, I have suggested (using green type) timings for other activities.

Activity sheets required each day will be uploaded to the Priory Fields website, as well as to the 'Teams' platform. These can be viewed or downloaded and printed from the website. Alternatively, the activity documents can be accessed from 'Teams' and typed onto ready for uploading.

Please note: There is only an expectation for 2 activity sheets each day to be uploaded for feedback. These are shown on the grid below. Any other completed activities or photographs are welcome to be uploaded. Another suggestion is they can be kept in a folder to bring into school once we return.

I know there are some fabulous things being created at home and we would love you to share them with your friends. Keep them safe!

Monday	Tuesday	Wednesday	Thursday	Friday
<p>Online lesson 10.30 am English - Iron Man chapter 5 part 1. Read and discuss text together.
