

Friday 26th February

Measuring and comparing lengths.

On Wednesday, you measured your hands and the bones inside.

Today, you are going to measure the hands and bones of other people in your home. Write your measurements and those of other people.

My hand measures	Hand 2 measures	Hand 3 measures
A bone in my thumb measures	Thumb bone 2 measures	Thumb bone 3 measures
A bone in my middle finger measures	Middle finger bone 2 measures	Middle finger bone 3 measures
A bone in my little finger measures	Little finger bone 2 measures	Little finger bone 3 measures

Look at the different measurements.

Ask 4 questions about the length of the bones.

Use words like longest, shortest, how much longer, how much shorter.

1. _____

2. _____

3. _____

4. _____
