

L.O. explore bones in the rest of my body

S.C. know that I have a skeleton

Know bones come in different sizes and shapes

Know bones have different jobs in my skeleton

Feel the different bones in the rest of your body. Use the Body template below to draw in what you think you can feel.

**CHALLENGE:** Find the names of some of the bones that you drew in the body above. Use the skeleton template on the next page to label the different bones.
