Dear Head Boy, Priory Fields

Thank you so much for your recent letter to tell us all about the planned Rainbow Dress up Day at the school. We are excited and pleased that you want to raise money and support the café. The money you raise will help us to provide meals for those people in Dover who may struggle to afford to eat a meal out.

We look forward to hearing all about the day and hopefully to see some photos of all the rainbow colours! Enjoy dressing up and eating your ice lollies!

Every blessing
