

Choose from one of these scientists to research and present in your own creative way

*William Gilbert
(1544-1603) static
electricity*

*Benjamin Franklin
(1706-1790)
lightning and
electricity*

*Alessandro Volta
(1745-1827)
beginnings of a battery*

*André-Marie Ampère
(1775-1836)
measurement of
electricity*

*Humphry Davy
(1778-1829) electric
lamp*

*Michael Faraday
(1791-1867)
electricity and
magnetism*

*Joseph Swan (1828-
1914) electric light*

*Thomas Edison
(1847-1931) bulb*

*Nikola Tesla (1856-
1943) electrical
flow*
