

Early Years Term 6

This term your child will be learning to...

Communication, Language and Literacy

Write simple narratives.
Write fact files.
Re-read what they have written.
Consolidate my phonic knowledge to read simple words and phrases.

Star Author:
Eileen Browne
Focus text:
Handa's Surprise

Expressive Art and Design

Begin to evaluate and think about ways to improve my creations.
Engage in music making and dancing to African music.
Use a range of different tools safely.

Are we there yet?

Understanding the world

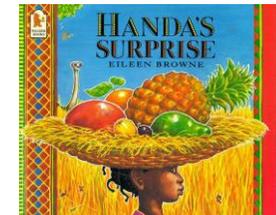

Talk about similarities and differences between themselves and others in their families, communities and traditions.
Talk about the things they like and dislike.

Maths

Count beyond 20
Look at the composition of number 10
Recall number bonds to 10
Solve real life problems
Find 2D shapes within 3D shapes
Compare capacity

Our Big Idea

Handa goes on a journey and meets lots of animals along the way. What journeys have the children been on? Do they know of anyone else who has been on a journey? Practical experiences like fruit tasting will give the children lots of opportunities to talk about and describe the food they see and taste and begin to think about where it has come from? Developing some understanding of the differences and similarities in cultures and traditions. Keeping healthy is also really important - what do we need to do to ensure we have a healthy lifestyle? Transition will also be a focus, discussing feelings and identifying strategies children can use as they make the next steps in their learning journey.
