Everyone Achieving Together

LEADING PARENT PARTNERSHIP AWARD

Involving yourself in your child's education is an exciting challenge, with excellent benefits for your child, for you, for the school and for our local community.

Did you know?

Research has identified that, at age 7, a parent's influence on a child's learning is six times that of their school and even at 11 years old, it is 29% greater. Increased involvement can raise achievement by at least 18%.

What are we doing about it?

Across our Trust we are using the Leading Parent Partnership Award (LPPA) to help strengthen our partnership with parents. LPPA is a national award that will provide us with a valuable school improvement tool and also give us recognition for our commitment to working with parents.

What are the benefits?

The LPPA will help us achieve these long-term benefits:

- ★ contribute to improved pupil attendance, punctuality, behaviour and progress
- ★ increase parent participation and involvement in our schools
- ★ enhance parents' support in their children's learning
- ★ improve communication between home and school.
