## Net Zero Single-Use Plastic

Well done to the children of Priory Fields; in the last 2 terms only 5 single-use plastic bottles throughout the whole school were thrown away. We are nearly reaching our goal of net zero.

Reminder: All children have a school recyclable bottle in class so they can drink water throughout the day and in the dining hall we have cups for the children to have juice, water or milk.

The school is still recycling used batteries, please send any used ones into school for recycling.

Year 4 completed a litter picking challenge the first week back as part of their lift-off and in an hour and a half collected 11.5kg of litter in our community.

## RNLI - Water Safety

Dover RNLI will be at a unit in St James on Saturday 29th April 10am - 3pm.

On display will be pictures old and new and a pop up cinema showing what the RNLI do.

Crew from the RNLI will be in full kit, providing talks on water safety and giving away free items.

## Online Safety – Fortnite

Fortnite is rated 12 for frequent mild violence which means it is not suitable for persons under 12 years of age. It is important to acknowledge that when the games are rated, PEGI do not take into consideration the communication features of the game. Fortnite has a chat facility, which adds further risks.
