

## Year 4, Term 1 - Home Learning

English	Maths	Topic
<p style="text-align: center;"><b>-COMPULSORY TASK –</b></p> <p>Write a letter or postcard as Tranio describing what life in Pompeii is like before and after the volcano eruption. Use adventurous vocabulary and fronted adverbials.</p> <div style="display: flex; justify-content: space-around; align-items: center;">  <div style="text-align: center;"> <p><b>3 points</b></p> </div>  </div>	<p style="text-align: center;"><b>- COMPULSORY TASK -</b></p> <p><b>This year the children need to know all the times tables to 12 x 12. We have attached a sheet to help them.</b></p> <p>Practise the 3 and 4 times table and the division facts, can you write all 4 number sentences?</p> <p><b>3x2=6</b>  <b>2x3=6</b>  <b>6÷2=3</b>  <b>6÷3=2</b></p> <p style="text-align: center;"><b>3 points</b></p>	<p>Research Roman mosaics, sketch some examples in your book and then design and make one of your own.</p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div> <p style="text-align: center;"><b>2 points</b></p>
<p><b>Learn by heart</b> the ‘Romans in Britain’ poem and perform it to someone else. Think of a way to show us that you have learnt it. Can you create your own?</p> <div style="text-align: center;">  <p><b>3 points</b></p> </div>	<p>Complete the attached sheet on quadrilaterals. Can you name them all? Write their properties too, test your parents, do you know more than them? Can you name their internal angles?</p> <div style="text-align: center;">  </div> <p>Acute &lt; 90°          Right Angle = 90°          Obtuse Angle &gt; 90°</p> <p style="text-align: center;"><b>2 points</b></p>	<p>Research a Roman God/Goddess; who were they, what did they look like and what were they the God of?</p> <div style="text-align: center;">  </div> <p>Make a Roman God/Goddess fact file, include some exciting facts too.</p> <p style="text-align: center;"><b>2 points</b></p>
<p style="text-align: center;"><b>Basic Skills Bonus!</b></p> <p style="text-align: center;"><b>- COMPULSORY TASK -</b></p> <p><b>Practise your handwriting!</b></p> <p><b>Write your spellings in full sentences, check they make sense, don't forget Capital letters, Full stops, Exclamation marks and Question marks.</b></p> <p style="text-align: center;"><b>2 points</b></p>	<div style="text-align: center;">  </div> <p>Go on a Roman numeral hunt. Take photos and stick in book or upload them to the Facebook page. Can you work out what each numeral means?</p> <p style="text-align: center;"><b>2 points</b></p>	<p>Make yourself a Roman shield or headdress. Use any materials you may have at home to make a real Roman design!</p> <div style="text-align: center;">  </div> <p style="text-align: center;"><b>3 points</b></p>

**12 POINTS OR MORE EARNS YOU A CERTIFICATE**

**DEADLINE: Monday 16<sup>th</sup> October 2023**

## **Roman Britain**

**The Romans gave us aqueducts,  
fine buildings and straight roads,  
where all those Roman legionaries  
marched with heavy loads.**

**They gave us central heating,  
good laws, a peaceful home...  
then after just four centuries  
they shuffled back to Rome.**

**TIMES TABLES Remember to challenge yourself on Times Table Rockstars  
and improve your rock status. How many points will you earn this term?**

**The children can also practise their times tables on the following websites  
if they wish [www.hitthebutton](http://www.hitthebutton.com) and  
[www.bbc.co.uk/teach/super movers/ks2-maths-the-3-times-tables](http://www.bbc.co.uk/teach/super movers/ks2-maths-the-3-times-tables)**
