

# English

**Our Book Focus:** Beegu

**Fiction Writing Focus:** We will write about what Beegu does in one part of the story.

**Non-Fiction:** We will write a recount based on a personal experience.

Year 1 Term 1 Our Creative Curriculum is...

# Me, Myself and I

We learn and play together, supporting one another as we explore and experience new things every day. We have lots in common, but there are also lots of things that make us unique. This term open-minded octopus helps us to celebrate and recognise the differences and challenges that others may have.

**Science:** As super scientists we will learn all about our bodies and senses; thinking about how these are used to help us make sense of the world around us.

**Art:** As aspirational artists we will learn about self-portraits. We will use the work of our key artist, Pablo Picasso, as an inspiration and develop our skills when experimenting with line and colour.

**Geography:** As growing geographers we will consider 'What can we find out about where we live?' We will explore Dover and learn how to devise simple maps and keys to help us.

**Computing:** We will think about: 'What do I do if I feel unsafe online?' We will consider what we can do if we feel uncomfortable whilst using different devices.

**Music:** What is the beat in music? We will learn how to play a steady beat using different tools and instruments.

# Maths

**Number Maths:** We will focus on counting, reading, writing and ordering numbers to 20 and beyond. We will also identify numbers that are one more or one less than a given number.

**Topic Maths:** We will explore measures; comparing and ordering items of different lengths and then the capacity of a variety of containers.

# RE

Who is a Christian and what do they believe?

We will begin to explore some of the things that Christians believe and what is important to them.

# PSHE

What is the same and different about us?

We will think about and value how we are all unique. We will consider what features we have that make us similar and different, including our likes and dislikes.

# PE

What skills can be developed and used when catching and throwing?

During our games sessions we will develop our ball, hand and eye co-ordination.

Remember to have your PE kit in school every day.
