Make sure you have your kit everyday!

PSHE

We will be learning about 'What is bullying?'

Term 2 Creative Curriculum topic is...

Explorers

'How has exploring impacted the world we live in today?' People have been exploring for thousands of years and have discovered lots about the world and beyond. The earliest explorers discovered different lands. On his quest to find India, Christopher Columbus stumbled across the Bahamas and discovered quite how big the world is! As the first man ever to walk on the moon, Neil Armstrong was launched into History. He paved the way for many other great astronauts and space expeditions. It was 'one small step for man and one giant leap for mankind'! Since then many intrepid explorers from the Cholita climbers to Felicity Aston have embarked upon their own adventures…

What does it take to become an explorer? Who will be the next

As scientists we will be exploring
- The suitability of different materials
- The properties of materials

As historians we will be learning…
- About significant individuals and events from the past
- To compare aspects of life at different times
- Use appropriate historical vocabulary

In Art we will be learning…
- To develop the skill of using watercolour effectively

In Computing we will be learning…
- The importance of passwords
- To know what to do if we feel unsafe
