Children's Mental Health Week

Children's Mental Health Week 2024 will take place from 5-11 February. Place2Be launched the mental health awareness week in 2015 to empower, equip and give a voice to every child in the UK. The theme this year is 'My Voice Matters'. Children will take place in a wide range of activities in school to promote this and talk about the importance of 'Healthy Minds' and how we can achieve them.

Look out for more information on the School Facebook page as to how you can get involved. There is also lots of useful information on the website for parents about supporting and promoting good mental health.

Tuesday 12th March, 9:15am-9:45am
at Priory Fields School

Do you have concerns about your child's speech?
Would you like to know more about their language
development?

The SENCO team, alongside our community Speech and
Language Therapists, will be holding an information session
all about how we support Speech and Language needs in
school and how you can get involved supporting your
child at home.

In addition, you will have the chance to meet other
families and talk to your school SENCO and therapists over
a cup of tea and a biscuit.

We look forward to seeing you there!
