

EYFS Curriculum Letter

Who are you going to call? Term 4

This term your child will be learning to...

Expressive Art and Design

Solve problems when making and creating, use a variety of artistic effects to express ideas and work collaboratively with peers to make new things.

The Big Idea

Imagination is going to take us to a far away place - who will we call when someone is in trouble? Maybe we need a superhero to save the day or maybe we need a doctor to make us feel better. We will also be developing our understanding of the world around us by finding out about different people who help us in the community and how our actions have an effect on the world.

Key texts:

Supertato

No-Bot

Once in a Lifetime

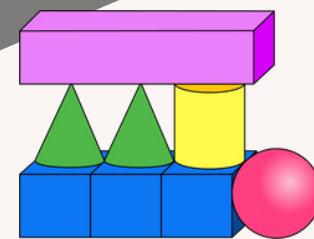

Norman the Bug with the Silly Shell

Superkid

The Easter Story

Literacy & Drawing Club

Read and write simple phrases and sentences and begin to read and write sentences. Read longer words and recognise tricky words. Form letters correctly and begin to use capital letters, full stops and finger spaces.

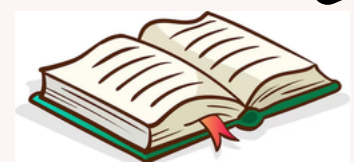

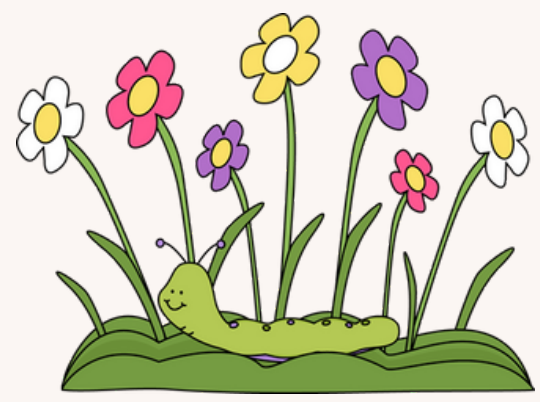

Maths

Explore the composition of numbers 7 and 8, including the number bonds. Explore 2D and 3D shapes, make more complex patterns and compare length.

Understanding the World, including RE

Compare and contrast figures from the present and past. Observe the changes that Spring brings. Learn which times are special, such as Easter.
