

Year 2, Term 4 - Home Learning

English	Maths	Topic
<p>Write a recount of a journey you have taken!</p> <p>Use words such as first, next, then, after that, finally.</p> <p>Add in lots of detail to make it interesting.</p>  <p>2</p>	<p>Practise your 5x table and its division facts. Practise writing them or telling someone in your family. How quick can you get?</p> <p>Eg $5 \times 5 = 25$ so $25 \div 5 = 5$ $2 \times 5 = 10$ so $10 \div 5 = 2$</p> <p>2</p> 	<p>How many different flowers and plants can you find where you live? Draw pictures of the different ones you can find and label them. Fill your Page with beautiful drawings.</p>  <p>3</p>
<p>Can you add the correct conjunction (joining word) to the attached sentences so that they make sense?</p> <p>Can you write any sentences of your own using conjunctions?</p>  <p>3</p>	<p>Use a ruler to measure the length different things around your house and record them in your book. What objects are longer/shorter than a ruler? How many objects can you measure?</p>  <p>3</p>	<p>Use the internet to research what plants need to grow! Write a list or draw a picture to help us grow our plants at school.</p>  <p>2</p>
<p>Create a nature collage! Collect things such as leaves and sticks from your garden and then uses them to make a picture!</p>  <p>3</p>	<p>Can you find fractions of different numbers? Half, quarter and thirds?</p>  <p>Use the sheet attached.</p> <p>2</p>	<p>What information can you find out about the famous author 'Beatrix Potter'?</p> <p>Make an interesting fact file about her life and her works.</p>  <p>3</p>

Can you earn **12 points**?

DEADLINE: Monday 25th March
