

Bones and Beasts

Year 3 have been learning all about the human body. They have been looking at different bones, learning their names and finding out where they are in our bodies. They are continuing their learning with an exciting trip to Wildwood, where they are doing a workshop to find out about the bones of animals and how they differ. Courtesy class had a fabulous day last week, visiting all the animals. The bears were a real favourite and Integrity class can't wait to go this week.
