Year 4 trip to Dover Mosque.

Year 4 classes have been lucky enough, over the last couple of weeks to visit the Dover Mosque to find out more about the religion of Islam.

This follows learning they have been engaged with in school, finding out about different religions and views as well as asking 'Big Questions' about them.

They learnt about the '5 Pillars of Islam', which are the core beliefs and practices of Islam and had a fantastic educational time.

SUMMER HOLIDAYS

Year 6 SEM Science Trip

On Friday, after a busy week of SATs, both Year 6 classes were truly Adventurous Aardvarks. They visited Dover Grammar School for Girls to use a 'Scanning Electron Microscope' (SEM), which has been loaned to the school by the Natural History Museum in London!

They were able to magnify a variety of items including eye lashes, hair, fleas and ants by up to 1000 times!

They had an amazing times exploring with the microscope and being truly shocked and excited by what the microscope revealed.
