

Music Workshops and Shows.

Year 5 had a fantastic week, working with students from the 'Purcell Music School', London. Students ran workshops with our children on strings, drums and vocals. They supported them to create musical compositions which were then performed to all. The week culminated with a fantastic performance at Charlton Church with other local schools.

Our children were such Adventurous Aardvarks, they loved creating their own pieces and the smiles on their faces said it all. Well done year 5!

Parent Reminders.

School uniform must be worn every day please and school shoes must be plain black. Please speak to our FLO if there are any difficulties with this.

Please can you remind your children that they are not to bring in items from home, this includes stationery and pencil cases as well as toys. If your child needs a fidget 'tool' to aid concentration then we are happy to provide a school one, please speak to your child's teacher.

Staying safe online

There are many benefits to being online but there are some negative aspects to look out for as a parent:

- cyber bullying
- seeing inappropriate content
- excessive screen time
- negative impact on sleep
- information overload
