

### Year 6 Science Jamboree

Year 6 were lucky enough to attend the Pfizer Science Park 'Jamboree of Scientific Discovery' last week. They watched a fascinating science show with 'Dr. Dallo' who travelled through space, with a fun and exciting emphasis on forces all around us.

Afterwards, they took part in practical activities in various subjects ranging from the science of surfactant bubbles to forensics. They also raced caterpillars who had been subjected to various temperatures (not all of the pupils wanted to warm them up in their hands!) It was a fantastic experience, loved by all and the children behaved beautifully, a real credit to the school!

### Whole Class

### Attendance

1st - Sharing 96.5%  
2nd - Integrity 94.4%  
3rd - Respect 93.6%

### Dates for your Diary

- 17th June - Justice class trip to Quex Park

- SUMMER HOLIDAYS**

### Parent Reminder

Please be reminded that dogs are not allowed in the school grounds at any time. This includes the gateways to the school. Thank you.

## Hot Chocolate Friday

**A BIG well done to  
this week's  
Hot Chocolate  
Friday winners!**

### School Gateway

Did you know you don't need the app to access the School Gateway?

You can sign in via the internet at the following website address: School Gateway Login

If you need a pin reset, please contact the office.

### Staying safe online

Whilst WhatsApp has an age rating of 13+, many younger children use it. This can lead to them seeing inappropriate content as a result of being added to group chats.

You can help protect them by changing their group setting to 'My Contacts' only. This means that only people they have in their contacts can add them to a group and they have to seek permission to do so.

### Class Assemblies

Friday 21st June - Caring Class

Class assemblies start at 9:10am in the school hall.
