

# YEAR 2 TERM 1

## Curriculum Overview-

In this topic we ask the **BIG** question:

**What does it mean to be healthy and is it really that important?**

In this topic we learn all about health finding out all the ways we can look after our bodies; from brushing our teeth like a dentist, to interviewing a real life nurse and even becoming a MasterChef and preparing a healthy meal for our families. We will consider a whole body approach to healthy living. But has being healthy always been this easy? Florence Nightingale and Mary-Jane Seacole might disagree, as we travel back in time and think about what hospitals and health looked like before the rise of the modern day nursing heroes.

## English

**Star Author**—A range of stories by Babette Cole

**Fiction** - Dr Dog by Babette Cole- We will be looking at developing our punctuation and sentence structure to improve our writing.

**Non Fiction** —Persuasion. Using Dr Dog as a start we will be creating healthy living leaflets to encourage people to stay healthy.

## Maths

We will be looking at numbers up to 100 - reading, representing, writing in numerals and words.

In addition and subtraction we will begin to look at a range of number families including what happens when you add and subtract multiples of 10 to any given number.

## SPELLING SPOTLIGHT -

half hour most past  
last whole

## Key Dates -

**PE days -**  
Loyalty - Tuesday  
Honesty - Thursday

## Key Vocabulary -

**NUTRITION** - the study of food and how it works in our body.

**INVESTIGATE** - to try to find out the facts about something to learn how it happened

**BALANCED DIET** - includes foods from all 5 groups: fruit, vegetables, grains, proteins and dairy
