We teach blending so your child learns to read

- Teacher-led blending is taught throughout phonics.
- Children need lots of practice at blending sounds together to read words.
- Your child will need to be able to blend confidently before moving onto a book with words.

Tricky words

- These words have unusual spellings e.g. he, the, was.
- They are taught in a systematic way.
- Children are now learning to read the Phase 2 tricky words: is, I, the, put, pull, full, as, and, has, his, her, go, no, to, into, she, push, he, of, we, me, be.

How do we practise reading in books?

Reading practice sessions are:

- timetabled three times a week
- taught by a trained teacher/teaching assistant
- taught in small groups
- At the end the week, we send home the book that has been practised in school.

Books going home

Reading a wordless books

Wordless books are invaluable as they teach reading behaviours and early reading skills to children who are not blending – yet!

- Talk about the pictures.
- Point to the images in the circles and find them on the page.
- Encourage your child to make links from the book to their experiences.

Listening to your child read their phonics book

- Your child should be able to read their book without your help.
- They might sound out words and blend them before they read them fluently.
- If they can't read a word, read it to them.
- Talk about the book and celebrate their success.

Read to your child

The shared book is for **YOU** to read:

- Make the story sound as exciting as you can by changing your voice.
- Talk with your child as much as you can:
 - Introduce new and exciting language.
 - Encourage your child to use new vocabulary.
 - Make up sentences together.
 - Find different words to use.
 - Describe things you see.
