

Spellings:

Please see the list of weekly spellings attached, which will serve as the foundation for your child’s learning. Each week, children will be expected to learn the designated words at home. They will be applying these spellings throughout the week.

To support your child, we encourage you to engage with them in their spelling practice, perhaps by creating fun games or quizzes to reinforce their learning. Regular revision will greatly assist in embedding these spellings into their long-term memory.

Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
treasure vision chicken school kitten	buzz hiss fill mess stiff	shimmer farmer powder thinker shower	duck quick sock quack check	patch hitch lunch beach bench	buzzes foxes buses wishes marches	shopping raining looking swimming helping

Reading:

In Year 2, we expect that children read **3 times a week** which will be recorded **3 times** in reading record books. Children are also encouraged to take part in the Academy Reading Challenge and will change their books weekly.

Star Curriculum Challenge:

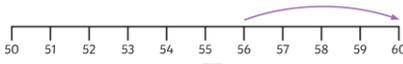

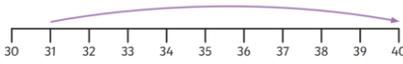

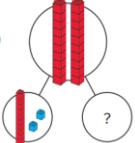

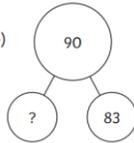

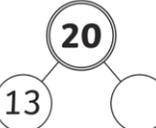

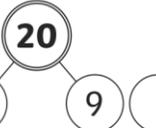

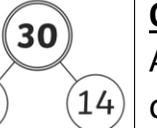

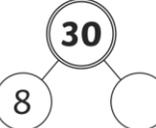

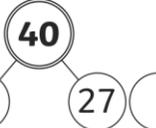

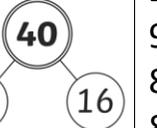

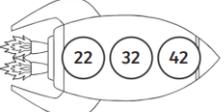

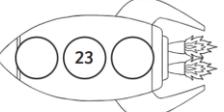

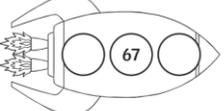

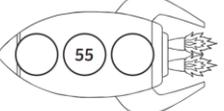

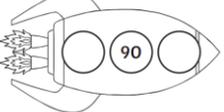

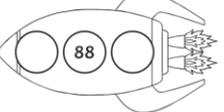

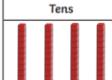

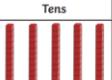

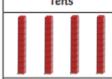

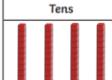

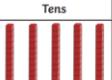

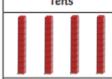

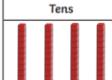

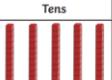

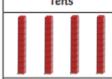

We are learning all about famous explorers!

Research famous artists eg Turner, Monet, Constable. Choose your favourite piece of art and recreate or use, to influence your own style of artwork for display in the classroom.

Maths:

Please ensure your child engages with the spelling activities provided for home learning. Additionally, see a set of arithmetic questions to practice with your child each week. Year 2 children can also utilise their Timetable Rock Stars to further enhance their mathematics skills at home (log ins are in their yellow reading record). Thank you for your support with this.
