YEAR 6 VISIT THE TRENCHES

Year 6 had the special treat of augmenting our learning on World War 1 with a trip to Hawthorne Trenches. In the idyllic Kent countryside, we visited the incredibly accurate reconstruction of trenches based on the Somme battlefields 100 years ago. With primary resources, we explored the latrine, cookhouse and the infirmary as we navigated our way through a maze of German and British trenches. Finally, we all climbed the ladders over the top and charged into no-mans-land. This was an incredible experience that will be invaluable in our studies this term.

Mr Woods

A special thank you to all of our parent helpers.

Well done to Blake Class achieving 100% attendance this week!

You've absolutely smashed it this week with an amazing 100% attendance!
Every single one of you was here every day – that's real dedication and
team spirit.

As a well-deserved reward, you've each received a FREDDO for showing up,
working hard, and being part of such a brilliant class effort!

Let's see who will rise to the challenge next week...

- Which class will be next to hit **100%** attendance and earn their very own
Friday FREDDO treat?

Keep up the amazing effort, Blake Class – you've set the bar high

E-SAFETY – Minecraft Edition

Minecraft is a fantastic game that encourages creativity, problem-solving, and teamwork – but like any online space, it's important to keep children safe while they play.

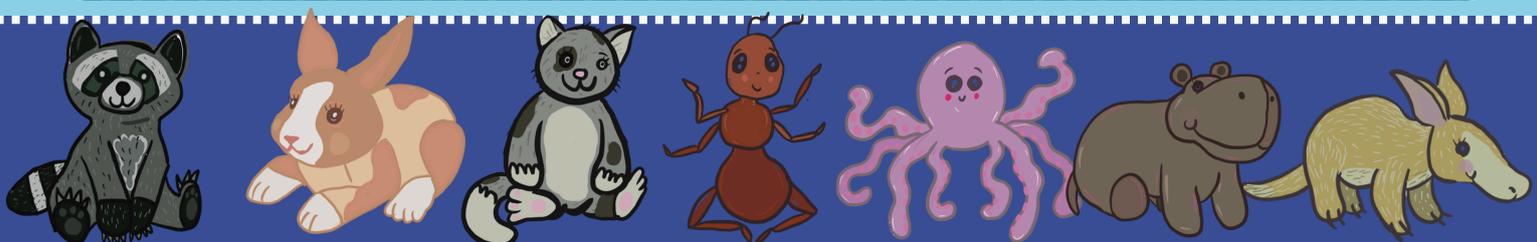

👉 Tip: Play in “Private” or “Friends-Only” worlds.

If your child enjoys multiplayer mode, make sure they're only playing with people they know in real life. Public servers can expose children to strangers and unmoderated chat.

KEY POINTS :

- Set up a Microsoft Family Account to manage privacy and communication settings.
- Encourage your child to never share personal information (like their name, school, or location) in chat.
- Talk regularly about what they do in Minecraft and who they play with – staying involved is the best safety tool!

Together, you can make Minecraft a fun, creative, and safe experience!

you!

Parent Consultations

We are delighted to invite you to book your appointment for our upcoming Parents' Evening. This is a valuable opportunity to discuss your child's progress, celebrate their achievements, and work together to support their continued learning and wellbeing. Our SENCOs, Mrs Howarth, and Miss Hall will also be available throughout the evening if you'd like to speak with them.
