Whinless Great Fire of London History Learning

This week, our Year 2 peers from Vale View and St Martin's joined us for some exciting History learning.

With Mr Trenowden, our Forest School Leader, we headed up to Forest School to explore how fires were put out in 1666.

This helped us learn more about how fire spreads and why fires were so dangerous in the past. We had a fantastic time learning outdoors and working together with our buddies!

Year 4's Canopic Jars!

Year 4 have been busy creating Canopic jars, inspired by the gruesome facts from Horrible Histories! The children carefully designed and made their own ornate jars, showing fantastic attention to detail while working with clay. They had great fun throughout the process, and the final pieces of artwork are outstanding. A huge well done to Year 4 for their creativity, effort, and brilliant results!
