

Spellings:

Please see the list of weekly spellings attached, which will serve as the foundation for your child's learning. Each week, children will be expected to learn the designated words at home. They will be tested on these spellings every Thursday during a class dictation.

To support your child, we encourage you to engage with them in their spelling practice, perhaps by creating fun games or quizzes to reinforce their learning. Regular revision will greatly assist in embedding these spellings into their long-term memory.

Reading:

In year 3, we expect that children read 3 times a week for 15 minutes and this will be recorded on the sheets that are sent home. Children are also encouraged to take part in the Academy Reading Challenge.

Maths:

Please ensure your child engages with the spelling activities provided for home learning. Additionally, see a set of arithmetic questions to practice with your child each week. Children can also utilise their Timetable Rock Stars to further enhance their mathematics skills at home. Thank you for your support with this. <https://www.topmarks.co.uk/maths-games/hit-the-button> is a great website to practice some mental maths skills.
