

Spellings:

Please see the list of weekly spellings attached, which will serve as the foundation for your child's learning. Each week, children will be expected to learn the designated words at home. They will be applying these spellings throughout the week. To support your child, we encourage you to engage with them in their spelling practice, perhaps by creating fun games or quizzes to reinforce their learning. Regular revision will greatly assist in embedding these spellings into their long-term memory.

Reading:

In year 1, we expect that children read 3 times a week this will be recorded in their yellow reading records.

Please ensure your child engages with the spelling activities provided for home learning. Additionally, see a set of arithmetic questions to practice with your child each week. Thank you for your support with this.
