

# ENDANGERED SPECIES DAY

What an amazing day at Priory Fields!

The children looked absolutely fantastic in their animal costumes and prints, and it was wonderful to see all the animal toys they brought in to share. There was such excitement and enthusiasm throughout the day as the children explored and learned all about the animal.

Throughout the day children have learnt all about their animal and created some wonderful animal-inspired artwork linked to their animal. With the money raised each year group will now be adopting an animal from Wingham Wildlife Park!
