YEAR 5 - PURCELL MUSIC SCHOOL

This week year 5 were visited by the students from the Purcell School for Young Musicians - Britain's oldest music school and one of the world's leading centres for musical education. During the morning, we were introduced to the Purcell students, the instruments they played and the different genres of music they enjoyed playing. Our children were enthralled as the students played known pop songs through to George Gershwin and classical pieces. Their reaction to the music and the young people playing was a joy to watch. In the afternoon, the children spent time with individual Purcell students and took part in composition, music through drama and rhythm making, before performing what they had produced back to everyone. It was a joyous day filled with new experiences and people, and year 5 look forward to listening to the Purcell students performing again on Friday.

YEAR 5 AND 6 - ESAEFTY VISIT WITH COMMUNITY POLICE OFFICER MARK BALL

Following a school visit from a local police officer, Year 5 and 6 pupils were educated on the legal age requirement of 13 for WhatsApp, safe group chat behavior, and the legal consequences of online bullying or sharing inappropriate content. Parents are encouraged to reinforce these safety measures at home by reviewing privacy settings, enabling group admin approval, and encouraging an open dialogue about digital footprints and exiting uncomfortable conversations. Thank you for your continued support in keeping our children safe.

YEAR 1 AND 2 - WONDERFUL WRITERS

Year 1/2 have been working incredibly hard this week! In English, we have been looking at postcards and learning how to write in the correct tense. The children have written postcards from Dover, telling a friend all about their exciting adventures and experiences. We have been so impressed with their creativity, enthusiasm, and writing skills. Their postcards are full of wonderful descriptions and interesting details! Well done year 1/2!

Well done!
