A Message from the Headteacher

Dear Parents and Carers,
What a wonderful start to the new school year! It has been fantastic to welcome our children and families back to Priory Fields and to see the school full of energy, smiles and learning once again.

A particularly warm welcome to all of our new children and families joining us this year. We hope you very quickly feel part of the Priory Fields community.

I have been incredibly proud of how well the children have settled into their new classes and routines. There are always a few nerves and adjustments at the beginning of a new year, but our children have shown such resilience, enthusiasm and kindness towards one another.

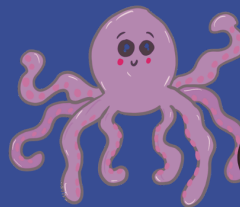

Thank you to our wonderful staff for everything they have done to make the start of term so positive, and to our families for your continued support. We have an exciting year ahead and I am really looking forward to sharing it with you. Have a lovely weekend.

Miss Hall

First Aid Notifications

Medical Tracker

This term we are using Medical Tracker, our Trust's new system for recording first aid and keeping families informed when children receive treatment in school. Parents and carers will now receive an email notification for all first aid treatment administered to their child. Where an injury requires further discussion or causes concern, a member of staff will still contact you by telephone. For minor head bumps where there is no visible mark, injury or cause for concern, we will no longer routinely telephone home, but you will receive a Medical Tracker notification.

Kent Test- Thursday 10th September

A huge good luck to all of our children sitting the Kent Test this Thursday. We are incredibly proud of you all. Remember to stay calm, take your time and simply do your best. We are all cheering you on!

🎵 Music Tuition at Priory Fields 🎵

At Priory Fields, we are extremely proud of our high-quality music provision and the fantastic opportunities available to our children.

This term, Mr Cook will be offering private and small-group music tuition across a range of instruments. 🎸🎹🎺

If your child would be interested in learning an instrument, please let their class teacher know which instrument they are interested in, and Mr Cook will be in touch to arrange lessons.

We can't wait to hear even more music filling the corridors of Priory Fields!

Safeguarding: AI & Fake Images

AI can now create convincing fake images of real people, including children. Sharing or creating these images can cause serious harm and may have significant consequences. We will discuss this with KS2 next week. Please reinforce this important safeguarding message at home.
