

Year 2 Thomas Class

Home Learning – Term 1

Spellings:

Please see the list of weekly spellings attached, which will serve as the foundation for your child's learning. Each week, children will be expected to learn the designated words at home. They will be applying these spellings throughout the week.

To support your child, we encourage you to engage with them in their spelling practice, perhaps by creating fun games or quizzes to reinforce their learning. Regular revision will greatly assist in embedding these spellings into their long-term memory.

YOUR MISSION!

Become a Royal Castle Designer and create a castle that is strong enough to keep the enemy out!

You can:

- Build a castle using boxes, Lego blocks or recycling!

You could also design a castle by drawing it and labelling it!

Maths:

Please ensure your child engages with the spelling activities provided for home learning. Additionally, see a set of arithmetic questions to practice with your child each week. Year 2 children can also utilise their Timetable Rock Stars to further enhance their mathematics skills at home (log ins are in their yellow reading record).

Thank you for your support with this.
